MAROONDAH INTEGRATED KINDERGARTEN'S ASSOCIATION INC. YEAR 2026 FOUR YEAR OLD KINDERGARTEN INFORMATION & APPLICATION FORM

This information is for **four year old** kindergarten only. For information about three year old for 2026, please refer to the three year old information and application form. **PLEASE NOTE THAT ATTENDANCE AT A KINDERGARTEN FOR THREE YEAR OLD DOES NOT GUARANTEE PLACEMENT AT THE SAME KINDERGARTEN FOR FOUR YEAR OLD.** A child cannot receive an offer of a place for both three and four year old for the same year.

The attached **Application Form** is for children reaching the age of **four years by 30 April 2026, i.e. born on or before 30 April 2022**, and who will start school in 2027. In completing this application, please select only from the kindergartens listed on page five. Please ensure that you fill the application out correctly and attach all the required information. **The closing date for applications is 30 June 2025.**

POINTS TO NOTE WHEN COMPLETING THE APPLICATION FORM

Eligibility: Government policy allows funding for **ONE YEAR** of kindergarten per child in the year prior to school entry. If you enrol your child for kindergarten for 2026, and then defer your child until 2027, you do not need to re-apply, your application form is automatically carried forward.

NO JAB, NO PLAY

Victorian Law

The Victorian Government has amended the *Public Health and Wellbeing Act 2008*. To have an enrolment confirmed, parents/carers have to provide the service with:

- a current Immunisation History Statement from the Australian Immunisation Register (AIR); AND
- the statement must show that the child is up to date with all vaccinations that are due for their age; or that they are able to receive.

An Immunisation History Statement from the AIR is the only type of immunisation record that early childhood services can accept for the purposes of confirming enrolment.

If your child's immunisations have been delayed, or if they have received vaccinations overseas, please contact Maroondah City Council's Immunisation Services on 1300 88 22 33 to develop an immunisation catch-up schedule.

For more information, please visit the [Maroondah City Council Website](#).

The criteria for placement of children who apply by the closing date are:

- (a) Satisfy the requirements of the **NO JAB, NO PLAY** law (**proof documentation must be provided with your application**).
- (b) **1st Preference, and**

Where a kindergarten receives more applications than available places i.e. is oversubscribed:

- (c) Children applying under the Government's **Priority of Access Guidelines** (see below), will be placed at their 1st preference kindergarten.
- (d) Proximity – applicants who live geographically closest to the kindergarten (and who are or will be residents of the City of Maroondah in 2026, or who reside in a Municipality whose boundary with the City of Maroondah is within one kilometre of the kindergarten), will be placed first. **Proof of residential address must be supplied with your application**, see below.

Applications received after the closing date are considered late applications and will be placed in order of receipt, **after** all on time applicants are placed, subject to availability of places.

Priority of Access Guidelines

Children who apply under these guidelines include:

- Children at risk of abuse or neglect, including children in Out-of-Home Care
- Early Start Kindergarten - known to Child Protection or Child First
- Early Start Kindergarten - Aboriginal or Torres Strait Islander Children

 - i. require additional assistance in order to fully participate in the kindergarten program
 - ii. require a combination of services which are individually planned
 - iii. have an identified specific disability or development delay
- Multiple birth (triplets or more)

Care should be taken when nominating preferences. **Nominate up to three kindergartens** which are appropriate for you and your child. Please keep in mind the placement criteria above when making your choices. Although every effort is made to place your child at one of your preferred kindergartens, this may not always be possible.

In the event of **twins or more**, please complete **a separate application for each child**.

If your child has **additional needs** that may require extra support from kindergarten staff, please indicate this in the space provided on the application. Children with additional needs must enrol through the MIKA Central Registration System. Please attach supporting documentation from qualified professionals if you are enrolling under the **Priority of Access Guidelines**. Supporting documentation includes a referral from the National Disability Insurance Scheme, an Early Childhood Intervention Service, Preschool Field Officer or Maternal and Child Health Nurse.

Parents with concerns about their child's needs may wish to seek advice from an early childhood educator, your family doctor, or another professional your child sees, such as Maternal and Child Health, or Paediatrician.
