MAROONDAH INTEGRATED KINDERGARTEN'S ASSOCIATION INC. YEAR 2019 FOUR YEAR OLD KINDERGARTEN INFORMATION

This information is for **four year old** kindergarten only. For information about three year old for 2019, please refer to the three year old information. **PLEASE NOTE THAT ATTENDANCE AT A CENTRE FOR THREE YEAR OLD DOES NOT GUARANTEE PLACEMENT AT THE SAME CENTRE FOR FOUR YEAR OLD KINDERGARTEN.** A child cannot receive an offer of a place for both three and four year old for the same year.

Children applying to attend four year old in 2019 must reach the age of **four years by April 30, 2019, i.e. born on or before April 30, 2015**, and who will start school in 2019. When completing an application, please select only from the kindergartens listed on page five. Please ensure that you fill the form out correctly and attach all the required information. **The closing date for applications is June 30, 2018.**

POINTS TO NOTE WHEN COMPLETING THE ENROLMENT FORM

Eligibility: Government policy allows funding for **ONE YEAR** of kindergarten per child in the year prior to school entry. If you enrol your child for kindergarten for 2019, and then defer your child until 2020, you do not need to re-enrol, your enrolment application and enrolment fee are automatically carried forward.

NO JAB, NO PLAY

Victorian Law

The Victorian Government has amended the *Public Health and Wellbeing Act 2008*. The amendments mean that early childhood education and care services cannot confirm enrolment of a child unless the parent/guardian has provided documentation that shows the child:

- is fully vaccinated for their age, or
- is on a recognised catch-up schedule if their child has fallen behind with their vaccinations; or
- has a medical reason not to be vaccinated.

'Conscientious objection' to vaccination is not an exemption under the new legislation.

If your child's immunisations have been delayed or if they have received vaccinations overseas, please contact Maroondah City Council's Immunisation Services on 1300 88 22 33 to develop an immunisation catch-up schedule.

For more information, please visit <http://www.maroondah.vic.gov.au/Community-support-services/Immunisation>.

The criteria for placement of children who apply by the closing date are:

- (a) Satisfy the requirements of the **NO JAB, NO PLAY** law (**proof documentation must be provided with your application, and again to the kindergarten where your child accepts a position**).
- (b) **1st Preference, and**

Where a kindergarten receives more applications than available places i.e. is oversubscribed:

- (c) Children enrolling under the Government's **Priority of Access Guidelines** (see below), will be placed at their 1st preference kindergarten.
- (d) Proximity – applicants who live geographically closest to the kindergarten (and who are or will be residents of the City of Maroondah in 2019, or who reside in a Municipality whose boundary with the City of Maroondah is within one kilometre of the kindergarten), will be placed first. **Proof of residential address must be supplied with your application**, see below.

Applications received after the closing date will be placed in order of receipt **after** all on time applicants are placed, subject to availability of places.

Priority of Access Guidelines

Children who enrol under these guidelines include:

- Children at risk of abuse or neglect, including children in Out-of-Home Care
- Early Start Kindergarten (known to Child Protection or Child First) or Access to Early Learning
- Aboriginal or Torres Strait Islander Children
- Asylum Seeker and Refugee Children
- Children eligible for the Kindergarten Fee Subsidy
- Children with additional needs, defined as children who:
 - i. require additional assistance in order to fully participate in the kindergarten program
 - ii. require a combination of services which are individually planned
 - iii. have an identified specific disability or development delay
- Multiple birth (triplets or more)

Care should be taken when nominating preferences. **Nominate up to three kindergartens** which are appropriate for you and your child. Please keep in mind the placement criteria above when making your choices. Although every effort is made to place your child at one of your preferred kindergartens, this may not always be possible.

In the event of a **multiple birth**, please complete a **separate application for each child**. Only **one enrolment fee is required** (see below).

If your child has **additional needs** that may require extra support from kindergarten staff, please indicate this in the space provided on the form. Children with additional needs must enrol through the MIKA Central Enrolment System. Please attach supporting documentation from qualified professionals if you are enrolling under the **Priority of Access Guidelines**. Supporting documentation includes a referral from the National Disability Insurance Scheme, an Early Childhood Intervention Service, Preschool Field Officer or Maternal and Child Health Nurse.

Parents with concerns about their child's needs may wish to obtain extra information from the local kindergarten teacher or the regional Children's Services Adviser.
